

NAWIC Detroit Chapter September 2010 General Membership Meeting

Please join us at WineStyles in Livonia for our first meeting of the NAWIC year. Installation of our new Officers and Board of Directors will take place during the meeting.

An installation is the ceremony that formally places elected persons into office and recognizes the accomplishments of the outgoing administration. New officers and directors are challenged towards meeting the goals and purpose of the Organization, and leading their members toward those aims and ideals. Members are inspired to sustain their chosen leaders in their endeavors.

We invite members and their guests to join us as we celebrate our 39th year in existence and welcome our new Officers and Board of Directors to their new positions in the association.

About our location for the meeting

WineStyles is designed like an old world wine cellar and is organized by style categories instead of varietal or region. These taste profiles include Crisp, Silky, Rich and Bubbly for whites and Fruity, Mellow, Bold and Nectar for reds. They truly de-mystify wine selections through their unique taste-testing and educational outreach.

In addition, Jimmy, our host for the evening, will describe the wine's characteristics, flavors and suggested food pairings. It's really a great way for both new-comers as well as connoisseurs to enjoy some delightful wines.

Cost for the evening is \$20, which includes sampling of 4 different wines, cheese and crackers as well as heavy hors d'oeuvres for our dining enjoyment. Of course, non-alcoholic beverages will also be available for those who do not wish to or cannot consume alcohol.
